Education

- **Full-Stack Web+Mobile Development:** NuCamp Coding Bootcamp, Nov 2022-Apr 2023 •
- **Front End Web+Mobile Development:** NuCamp Coding Bootcamp, Nov 2022-Mar 2023 •
- **Web Development Fundamentals:** NuCamp Coding Bootcamp, Oct 2022
- **Microsoft Office:** North Idaho College, 2011-2012

Project & Work Experience

- **NativeProTracker**, 2022 - Current: Web/Mobile App for inventory and production tracking, featuring daily charts. Built with Expo-React-Native, React, Redux, and GCP. Live at [nativeprotracker](#).
- **MyReactApp**, 2022 - Current: Crafted a React Single Page Application (SPA) to showcase my web applications, demonstrating my developer and mockup skills, utilizing a React-strap template. Live at [My Portfolio](#).
- **Bottle Joy**, 09/2022-07/2023: Managed inventory and provided excellent service through Toast OS, delivering craft beer and wine to ensure a quality customer experience.
- **Center Partners**, 2010: Specialized in technology support, and sales incoming calls for t-mobile phones and phone plans.
